

§ 641.335

specifically identify the needs and locations of those individuals most in need of community services and the groups working to meet their needs. (OAA sec. 503(a)(4)(E)).

§ 641.335 How should the Governor address the coordination of SCSEP services with activities funded under title I of WIA?

The Governor must seek the advice and recommendations from representatives of the State and Area Agencies on Aging in the State and the State and Local Boards established under title I of WIA. (OAA sec. 503(a)(2)). The State Plan must describe the steps that are being taken to coordinate SCSEP activities within the State with activities being carried out under title I of WIA. (OAA sec. 503(a)(4)(F)). The State Plan must describe the steps being taken to ensure that the SCSEP is an active partner in each One-Stop Delivery System and the steps that will be taken to encourage and improve coordination with the One-Stop Delivery System.

§ 641.340 Must the Governor submit a State Plan each year?

The Governor is not required to submit a full State Plan each year; however, at a minimum, the Governor must seek the advice and recommendations of the individuals and organizations identified in the statute at section 503(a)(2) about what, if any, changes are needed, and publish the changes to the State Plan for public comment each year and submit a modification to the Department.

§ 641.345 What are the requirements for modifying the State Plan?

(a) Modifications are required when:

(1) There are changes in Federal or State law or policy that substantially change the assumptions upon which the State Plan is based;

(2) There are changes in the State's vision, strategies, policies, performance indicators, or organizational responsibilities;

(3) The State has failed to meet performance goals and must submit a corrective action plan; or

(4) There is a change in a grantee or grantees.

20 CFR Ch. V (4–1–07 Edition)

(b) Modifications to the State Plan are subject to the same public review and comment requirements that apply to the development of the State Plan under §§ 641.325 and 641.350.

(c) The Department will issue additional instructions for the procedures that must be followed when requesting modifications to the State Plan. (OAA sec. 503(a)(1)).

§ 641.350 How should public comments be solicited and collected?

The Governor should follow established State procedures to solicit and collect public comments. The State Plan must include a description of the State's procedures and schedule for ensuring an open and inclusive planning process that provides meaningful opportunity for public comment.

§ 641.355 Who may comment on the State Plan?

Any individual or organization may comment on the Plan.

§ 641.360 How does the State Plan relate to the equitable distribution (ED) report?

The two documents address some of the same areas, and are prepared at different points in time. The ED report is prepared by State agencies at the beginning of each fiscal year and provides a “snapshot” of the actual distribution of all of the authorized positions within the State, grantee-by-grantee, and the optimum number of participant positions in each designated area based on the latest available Census data. It provides a basis for improving the distribution of SCSEP positions within the State. (See OAA sec. 508). The State Plan is prepared by the Governor and covers many areas in addition to equitable distribution, as discussed in § 641.325, and sets forth a proposed plan for distribution of authorized positions in the State. Any distribution or redistribution of positions made as a result of a State Plan proposal will be reflected in the subsequent year's ED report, which then forms the basis for the proposed distribution in the next year's State Plan. This process is iterative in that it moves the authorized positions from over-served areas to
